**Start:** Tue 6/8/2010 10:32 AM  
**End:** Tue 6/8/2010 10:32 AM  
**Duration:** 0 hours

Returned phone call to Jeff Hansen regarding decommissioning of wells at Shell station at 29 Wildwood Avenue. Well decommissioning would likely take one day. I did not know the schedule and referred him to Shell re date of well decommissioning. Site will be closed with a site management restricting future use to commercial land use only. This does not necessarily preclude other uses but would require further evaluation and approval by ACEH if land use were to change to more conservative use.
