RM Environmental Business Manager: Kyle Christie

Consulting Co./Contact Person: URS Corporation / Leonard Niles

Consultant Project No.: 38486833

Primary Agency/Regulatory ID No.: Alameda County Water District

WORK PERFORMED THIS QUARTER (Third- 2004):

1. Prepared and submitted second quarter 2004 status report.

WORK PROPOSED FOR NEXT QUARTER (Fourth - 2004):

1. Prepare and submit this third quarter 2004 status report.
2. Prepared and submitted site Case Closure Summary Report.
3. Prepare and submit fourth quarter 2004 status report.

DISCUSSION:

Site not closed. ACHCSA letter of 10/31/01 to BP notifies that determination of no further action or closure will be made. URS submitted a Case Closure Summary Report on October 27, 2004, recommending case closure as a low risk groundwater site. URS requests that notification be made by ACHCSA regarding status of closure or no further action required.
