Hello Dave and Bill,

3 weeks ago, Bill Coset and myself discussed the site's preferential pathway study requested by Paresh Khatri stated in the attached letter. Bill, you stated to me that Dave (or you) had given Mr. Khatri an update via phone call and that he also granted you a submittal extension. When are you going to finish the said report?

Please reply to all.

Normita,

Can you tell me what the current status is on the matter referenced in the attached letter?

Jeff
