Dear Ms. Callison,

I have reviewed our electronic files and did not find the report you referenced in your e-mail. Can you provide me with the date Brunsing electronically submitted the report to Alameda County?

Sincerely,

Dear Mr. Paresh,

I continue being the project manager of the site's UST cleanup for Pacific Coast Supply after I retired in 2007. Brunsing & Assoc. has submitted the Preferential Pathway study you requested last spring. I asked Bill Conley of Brunsing of any update to the closure request to no avail. Please let us know what is the status of our closure request.

Thank you very much.
