**RE: VAPOR EXTRACTION SYSTEM START-UP  
PACIFIC SUPPLY COMPANY, ACHCS STID NO. 3826  
OAKLAND, CALIFORNIA**

Dear Ms. Eberle:

This letter is to notify you that start-up of the vapor extraction and groundwater treatment system installed at the Pacific Supply Company, located at 1735 24th Street, Oakland, began operating on Thursday, December 30, 1993. This treatment system was installed in accordance with the May 24, 1993 Vapor Extraction Remedial Design Report and Specifications, prepared by BACE Environmental for the Pacific Supply Company site. This treatment system is operating under authorization of the Alameda County Health Care Services, and under permit from the Bay Area Air Quality Management District and a discharge permit to the East Bay Municipal Utility District (EBMUD).

If you have any questions please call me at (415) 364-9031.

Sincerely,

Michael E. Velzy  
Project Manager
