7/18/95
Talked to David Blakely & Susan } by Friday
re: evaluate NA2 concept
applicability to the site

STID 385

4/17/95

Talked to Sue McCormack of
Union Bank (Hazardous Materials Section)
P.O. Box 926 La Puente, CA 91747
(818) 810-6595

discuss NAZ:

- 1) sample wells - consistently every quarter
- 2) Evaluate NAZ criteria (dred notices, plume contained on site, contingency plan, Health & Safety Plan) monitoring, verification
- closure not defined yet in the policy.

8/22/94

STID 385

Western Brake -

Talked to Annette Thompson (Union Bank)
& David Blakely (909) 460-5510

- of Blakely Environmental re: Status
- Blakely talked about non attainment policy
 - 2 GPs of monitoring > 1000 ppb B(1st); 8 ppb B(2nd)
 - 3 MUs on site - these wells may have been destroyed (due to sewer line replacement). Trenching around the facility.

MW 17 - transfer ECI wells

10/15/93

→ insurance carrier
