Rachael and all,
Per the estimated timeline I have extended the submittal date until August 1st and have updated Geotracker. Should you need to, please use this email to document the extension.

Mark Detterman
Senior Hazardous Materials Specialist, PG, CEG

Subject: 6701 Shellmound

Mark,

Since we just made contact with the adjacent property owner this week we will not be able to submit the workplan for the off-site investigation by June 27 as requested in your letter. We are still negotiating access to the site with the owner and hope to have a workplan submitted sometime in July.

Thank you

Rachel Green, Development Manager
