**Duration:** 0 hours

Return VM from Gary Thomas (sp) of PES Environmental; they are doing a Phase 1 and were wondering if site is still open. It is. Indicate his client is doing Phase 1 for potential purchase, and they may reactivate case at a point in future if they do purchase. Apparently RWQCB recently requested that Geotracker be updated. He is not sure why, and I do not see a RWQCB case in the vicinity.
