RE: EXXON SERVICE STATION #7-8932, 1790 MARINA BOULEVARD, SAN
LEANDRO

Dear Ms. Guensler:

At the request of Mr. Mike Bakaldin of the San Leandro Fire Department, this office has referred oversight of the referenced site to the city of San Leandro. The city of San Leandro, as you are likely aware, is the local implementing agency (LIA) for underground storage tank (UST) facilities within the city. This move of oversight responsibility is meant to assist the LIA and responsible parties in coordinating slated UST-related activities at the site (e.g., closure, replacement, clean-up, etc.), and to streamline and prevent the duplicity of agency involvement.

Please call me at 510/271-4530 should you have any questions.

Sincerely
