Dear Mike Harper:

This letter is to request that STID 4885, 5900 Acacia Ave., Oakland, 94618, which had a home heating oil tank, be allowed to be State funded. This site was brought in on 2/9/95 and the request should have been made at that time, but due to an oversight is being made now. This matter was discussed with Lori Casias of your office today and accepted.

If you have any questions concerning this matter please contact me at (510) 567-6782.

Sincerely,
