

ST10 4042
1550 Park Avenue Emeryville 94608

2/7/95

Talked to Mr. John Pellegrini
- need to sample one more west.
g will be evaluated for closure

2/7/95

Talked to John Markovich - re: Piles
- scheduled sampling on Friday (10:00 AM)

2/10/95

- if non detect will close the case
- Frank Protect will submit the analytical data not in report form to save the RP money.

2/10/95

On site: sampling of the well
Met Frank Protect on site
DTW = 3 ft

2/24/94
