Subject: Site Status Update for ARCO Station 2152, 22141 Center Street, Castro Valley, California.

Dear Mr. Seery:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during December 1992, and site activities anticipated for the month of January 1993.

December 1992 Activities

- Performed quarterly groundwater monitoring and sampling.
- Continued construction of interim soil remediation system at the site.

Anticipated for January 1993

- Continue monthly groundwater monitoring.
- Initiate completion of construction of interim soil remediation system at the site. System start-up tentatively scheduled for February 1993 (deadline for start-up is no later than March 15, 1993).

Site Status Update
ARCO Station 2152, Castro Valley, California
