Lake Chabot

9/12/96

Spoke w/ Rep. of Public Safety for EBRPD located near VST site. He estimated elevation difference from former diesel VST to Lake Chabot is ~ 300 ft & is ~ 200-300 yds away (horizontal dist).

Phone Log (O Lake Chabot Rd #31)

8/30/95

Spoke w/ Mike DeKlotz to discuss status of site. He said they disposed of stockpiled soil offsite. Bottom sample of pit was 6,000 ppm TPHd & highest sidewall was 14K ppm. Will forward closure report w/in next two weeks.

10/5/95

Called Mike DeKlotz who said he sent VST Removal report to Dave Woehl & William Cameron & said they should forward report to us.

Left a msg w/ Dave Woehl to send report on to me.

12/14/95

Bill Mullery (916) 557-6944
1325 "J" St Sacto 95814

U.S. ARMY CORP
of Engineers

Spoke w/ William Cameron (916) 373-1617 who said Bill Mullery is the contact for any ongoing investigations.
