Subject: FW: Drilling Permit Application at 4901-4905 Tidewater Avenue, Oakland

Hi James,

As you know I'm back and wanted to check into this permit request. It may be related to a couple of sites I've been managing. What kind of permit?

Mark Detterman

Mark,

This might be related to your Tidewater Business Park Site, or the Subsite. Follow up if you are interested.

Cheryl

FYI:

No Geotracker records found for this site. Our records indicate that a permit was issued back in 1993 (no permit number however) and was filed to the State with a State well number as being 2S/3W17C for MW-1. The well is 20ft. in depth.

The screenshot displays the GEOTRACKER web application interface. On the left is a legend titled "SITES AND FACILITIES" with three sections: "Cleanup Sites", "Permitted Facilities", and "Other Sites". The "Cleanup Sites" section includes checked boxes for LUST Cleanup Sites (red square), Cleanup Program Sites (green square), Military Cleanup Sites (yellow square), and DTSC Cleanup Sites (blue triangle). The "Permitted Facilities" section includes checked boxes for Waste Discharge Requirements (WDR) Sites (red square), Irrigated Lands Regulatory Program Sites (cyan square), and Oil / Gas Sites (magenta square). The "Other Sites" section includes unchecked boxes for Project Sites (green square), Non-Case Information Sites (white square), Sampling Points - Public (red square), and Field Points (red circle). Below the legend is a "Tools" section and a "Map Coverages" section with a link "TAKE A TOUR OF MAP FEATURES". The main map area shows a street grid with "Tidewater Ave" labeled. A search bar at the top left of the map area contains the text "4905 Tidewater Avenue, Oakland". A blue button labeled "Map Address" is at the top right. Various site markers are plotted on the map, including a red square (WDR Site) near "Three Harbors Services", a green square (Cleanup Program Site) near "HSC Commercial", and several brown squares (Project Sites) near "Professional Service Industries, Inc. (PSI)", "Endgame Athletics / Crossfit EGA", "Vintage Auto Service", and "Three Rivers Trucking".
