**Re: Project # 2270 A-M  
at 750 High Street, Oakland CA 94601**

Dear Ms Logan:

Please find enclosed my check # 6329 in the amount of \$750.00. This check is to replenish my deposit/refund account for the above captioned project.

I have received your letter of October 13, 1993, acknowledging receipt of the sample results you and Richard Hiatt of the RWQCB had requested, and advising me that as a result of the findings, your office requires no further cleanup at this time. You also state that the case is now in the hands of Mr. Hiatt for processing as to a letter of final site closure. Should Mr. Hiatt require any additional data from your office, I would appreciate your handling this as expeditiously as possible. Thank you for your cooperation.

Yours truly
