RE: Request for Underground Tank Closure Report for Airport Bld
M 104, Oakland Airport, 94614

Dear Mr. Gulyas:

Please provide our office with a copy of the underground storage tank removal report for the 1,000 gallon diesel tank removed from the above referenced site on January 9, 1998. I have spoken today with Mr. Mike Waltermire of Research Management Consultant, Inc. (RMCI) and he stated that Mr. Rob Levit of the Los Angeles FAA office had been sent this report.

Please provide a copy of this report within 14 days or by April 1, 1998.

You may contact me at (510) 567-6765 if you have any questions.

Sincerely,

Barney M. Chan
Hazardous Materials Specialist
