Case RO0003037 (54 Embarcadero) is the same site as RO0001201 (255 Fallon) but the two cases have different addresses. Case RO0001201 was closed on December 8, 1999. Case RO0003037 was transferred to the Regional Water Quality Control Board on April 6, 2012. The case closure for RO0001201 closes the investigation and cleanup for underground storage tanks at the site. The status of RO0003037 was changed to "Not a Case." Case RO0003037 was deleted from Geotracker.
