Subject: Request to issue letter of pending final clean up regarding site at 880 West MacArthur blvd Oakland

Dear Detterman,

Enjoyed meeting you again on August 12th. As we all know , subject site at 880 West MacArthur blvd has been under clean up and monitoring last ten years and coming to closure pending review of reports from Stantec and necessary additional soil removal if such action is necessary. Travis from Stantec has informed me again about their readiness to do required steps to close the case. Moreover , I have a lender interested to fund our residential project and we , the owners of the parcel requesting letter from you covering substantial clean up has been done to property pending final clean up and closure. As always, we appreciate your input on this matter and looking forward to hear from you at your earliest convenience. Thank you very much.

Regards,
Alex Buyandalai
