Reference: **Request for Extension of Work Plan Addendum**
Former Chevron-branded Service Station 92029, 890 West MacArthur Boulevard, Oakland, CA (Case #: RO0002438)

Dear Mr. Detterman,

On behalf of Chevron Environmental Management Company (Chevron), as discussed during the January 21, 2014 meeting between Alameda County Environmental Health (ACEH), Chevron, and Stantec Consulting Services Inc. (Stantec), Stantec respectfully requests an extension to complete the Work Plan Addendum for former Chevron-branded service station 92029, which was located at 890 West MacArthur Boulevard, Oakland, Alameda County, California (the Site). In a letter dated December 18, 2013, ACEH requested a Work Plan Addendum with a due date of February 28, 2014. Chevron and Stantec would like to set up a stakeholder meeting with ACEH and the property owner in early March 2014 to discuss future redevelopment plans and the path forward to achieve case closure. Time will be needed to incorporate conclusions and recommendations from the stakeholder meeting into the Work Plan Addendum; therefore, Stantec respectfully requests that an extension be granted for the Work Plan Addendum to be submitted to ACEH by April 30, 2014.

Chevron contacted Mr. Alex Buyan and confirmed that we are all available March 6, March 10, and March 11, 2014. Please let us know if you are also available any of these three dates so that we may schedule the stakeholder meeting.

Regards,

Stantec Consulting Services Inc.
