Roger Hoffmore of Closure Solutions called on 4/11/2008 to ask if I had reviewed request for closure and what was process. I explained closure process and indicated that case would likely be reviewed within 30 to 60 days. At the time of review, I will either request additional work or move case forward to ACEH management and Regional Boards for review. Next monitoring event is in May. I suggested he may want to consider delaying monitoring until hearing from me.
