Dear Ms. Jakub:

Per our telephone conversation earlier this afternoon, Stantec will be moving the locations of proposed soil borings SB-5 through SB-7, as shown on the attached figure. The proposed move is due to a signed License Agreement not having yet been received for 1371 – 1377 102nd Avenue. If you have any questions, please feel free to contact me at (916) 384-0745. Thank you.

Sincerely,
