Subject: Fuel Leak Case No. RO0002444 - Site Investigation Report Extension

Keith,

I would like to request an extension for the Site Investigation Report from January 10, 2014 to January 31, 2014. Site activities were completed November 18, 2013 and the data was received from the laboratory until the first week of December 2013. I originally thought that January 10, 2014 was doable but forgot about the mid-week holidays this year and people's vacation schedule. Please let me know if the extension request is acceptable.

Kathy
