Steven: Just a short memo to confirm our last phone call of Thursday September 11, 2008 @ 4:25 PM, wherein I left a voice mail questioning where you are in regard to the completion of your review, and the transmittal of your answer back to TCG (Woody Lovejoy), and ourselves? As you may recall in your last correspondence of 8/28/08, @ 5:51:10 PM, you stated that we will have your comments "next week" (which would be the week of September 1st). We are now at the end of the week after "next week" (the week of September 8th), and still have not received your reply! PLEASE send us a email at least letting us know about when we will be receiving your documentation.

Sincerely: W.E.L. Partnership, Gary Lyons Partner
