Steven: Once again We have called (Thursday 9/11/08 @ 4:25 PM, Tuesday 9/16/08 @ 10:00 AM, and Thursday 9/18/08 @ 11:05 AM). As of this writing, we have not received a reply to our 9/11/08 and 9/16/08 calls, and are waiting anxiously for a return of today's call.

We find it very disturbing that we are put on a very strict timetable for our submittals to you, but your replies back to us on these have had dates set by you, but these dates apparently do not have any validity! Witness, your email to us of 8/28/08 @ 5:51:10 PM stated that we would receive your comments "NEXT WEEK", which would have been the week of September 1st.! As of this date, we have not even had the courtesy of a phone call, or email letting us know the reason for this delay.

We do not wish to get attorneys involved at his point in time, since we are apparently so close to conclusion, but in the event that we do not hear from you in the very near future, we apparently will have no other option!

Trusting we will be hearing from you shortly.
