Hi Gary,

Yes, Steven recently left our unit & I am working on reassigning his cases. Barbara Jakub was recently assigned to review your case along with a number of Steven's other cases. She anticipates completing her reviews by about mid-June. Barbara will be reviewing your case for closure and will contact you within approximately the next 2 months regarding the results of her review and progressing your case to closure.

Hello Gary,

This email is in response to your email regarding status of the site. I have transferred to the CUPA program, and as such I am no longer the case worker responsible for oversight of LUFT/SLIC cases. Please contact the LOP program manager (Donna Drogos) to discuss any program issues related to this site.

Thank you for your cooperation.

Steven: Are you OK? When last we talked, you indicated that we should hear regarding our "Closure" around the 10th of January. I have left several emails and voice mails, but have not heard back from you.

Where are we?
