Subject: Request for Funds; Site Cleanup Program (SCP) Case RO0002468 and Geotracker Global ID T06019771096, James River Corporation, 2101 Williams Street, San Leandro, CA 94577

Dear Mr. Wiederhold and Mesdames Colbert and Andre:

The referenced site is a SCP case due to the presence of soil, groundwater, and vapor contamination on the property. Alameda County Environmental Health (ACEH) is the agency providing regulatory oversight for this case. In order for ACEH to complete the regulatory review and closure process, we require an additional deposit to an oversight account. It has been a substantial period of time since the previous request (2.5 years), and substantial investigatory actions have occurred at the subject site, requiring multiple reviews. At present there is approximately \$4,300 in unrecovered expenditures that have accumulated at the site. Consequently please send a check in the amount of \$10,300.00 payable to ACEH. Please send your check to the attention of our Finance Department; copied below.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$174.00 per hour. Please write "SLIC" (the type of project), the site address, and the account ID AR0305970 on your check.

If you have any questions, please call Mark Detterman at (510) 567-6876 or contact him by electronic mail at: mark.detterman@acgov.org.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark E. Detterman".
