Hello Vicki,

Just to let you know, I spoke with a clerk at the Alameda County Recorder's Office yesterday and it is my understanding that someone who can address our questions for how to best record the covenant is supposed to get back to me. If I don't hear anything by the end of this week, I will contact the office again Monday. Thanks for contacting me, and I hope we can get this issue of recording the covenant resolved soon.

Regards,

Anne

Ms. Jurek

Thank you for taking my call this morning. As you know, PACCAR is interested in site closure for the subject property. We have worked closely with Sandra Hess for years to achieve this goal and strive to assist her in this effort. Sandra advised she has had problems recording the Covenants documentation which is the last item for this project per Jerry's email below.

I am happy to help if there is anything I can do for Sandra or ACEH. Please advise

Hi Vicki,

The last item that I am waiting for is the signed and recorded covenant as described in my September 9 letter. I know Ms. Hess was facing a difficult situation to get the covenant signed and recorded.
