Dear Mr. Wickham:

Pursuant to your letter of September 15, 2006 and our discussion of early last week, enclosed is a check in the amount of \$6,000 from the owners of the above referenced property. I am sorry for the delay, but since the check is drawn on my trust account I had to await the receipt of the funds from the other two parties.

Your letter prior letter states that "we believe no further investigation of the former 1000 gallon gasoline tank will be required" but that "additional investigation of the halogenated solvent release at the site is necessary prior to site closure consideration." So after you have had a chance to further review the matter, please give me a call to discuss what we need next do to move this matter to closure.

Thank you for your anticipated courtesy in this matter.

Sincerely,

DAVID E. JACOBS
