Dear Ms. Chu,

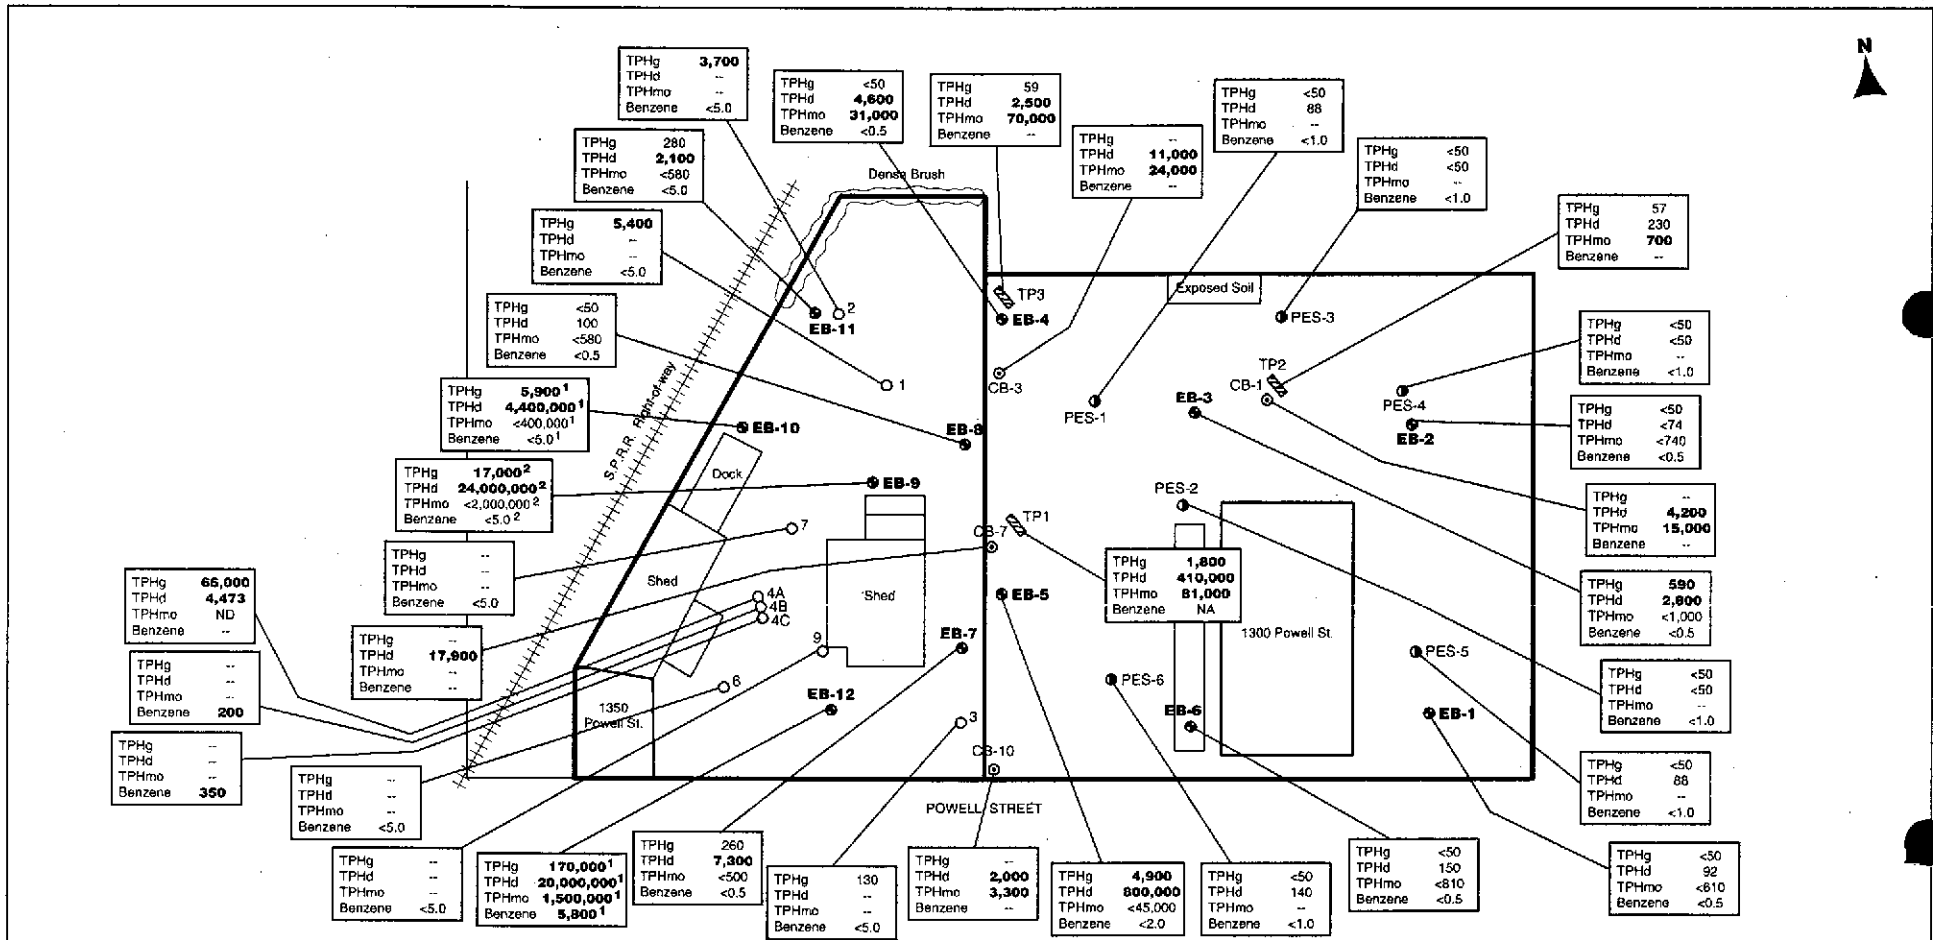

Enclosed is a data packet for the soil sampling at 1300 Powell Street. Included in the packet is a table of analytical results for the verification sampling, a figure showing the locations of the final verification samples, a figure showing the location of the supplemental soil borings, and the laboratory analytical reports. Figures showing the final verification sample data and the shallow excavations will follow early next week (our technical illustrator is on vacation). If you have any questions, please call me at (510) 267-1970, ext. 208

Thank you,

Lowney Associates
