Dear Mr. Rush:

The above-referenced site is a Spills, Leaks, Investigations, and Cleanup (SLIC) case due to the presence of soil and groundwater contamination on the property. Alameda County Environmental Health is the agency providing regulatory oversight for this case. Our records indicate that the current balance on the above referenced toxics case is deficient \$2,165. In order to continue to provide regulatory oversight, ACEH requires an additional deposit to an oversight account. Please send a check in the amount of \$8,200.00 payable to Alameda County Environmental Health. Please send your check to the attention of our Finance Department.

This additional deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$173.00 per hour.

Please write "SLIC" (the type of project), the site address (1549 32nd Street), and the number AR0308611 on your check.

If you have any questions, please contact Steven Plunkett at (510) 383-1767.

Sincerely,
