March 21, 2012

Mr. Steven Hill
San Francisco Bay Regional Water Quality Control Board
1515 Clay Street, Suite 1400
Oakland, CA 94612
(sent via electronic mail to: SHill@waterboards.ca.gov)

Subject: Notice of Enforcement Referral; Fuel Leak Case No. RO0002509 and GeoTracker Global ID T0600164939, Thanh's Autobody Repair, 901 77th Avenue, Oakland, CA 94621

Dear Mr. Hill:

This is a notice of an enforcement referral for the subject site. Site Responsible Parties are non-responsive to Alameda County Environmental Health (ACEH) requests and are recalcitrant. As a consequence, ACEH is referring this site to the San Francisco Bay Regional Water Quality Control Board for enforcement actions.

Site Background

One 1,000-gallon gasoline UST was removed from the site. Soil samples collected below the UST contained total petroleum hydrocarbons as gasoline (TPHg) at concentrations ranging from 40 to 4,600 milligrams per kilogram. The most recent technical document for the site is a Soil Vapor Survey and Remediation Pilot Test Work Plan dated October 3, 2008. The proposed work, which was approved by ACEH on November 7, 2008, has not been implemented to date.

A Notice to Comply was issued on September 2, 2010 and a Notice of Violation was issued on May 25, 2011. The Responsible Party has not responded to either of these enforcement directives.

Should you have any questions, please contact me at (510) 567-6791 or send me an electronic mail message at jerry.wickham@acgov.org.

Sincerely,

Jerry Wickham
Senior Hazardous Materials Specialist
