6/10/04, 432p, jay garfinckle, set appointment, 421-5071, 521-5071

Discuss site, RFW ltr we sent, numerous discussions with his brother Ben & their attorney, looked at data from adjacent site. Will not close this site at this time, they need addtl work performed, don't know extent of problem. Explained levels of contamination & that risk posed depends on concentration, pollutant & where located in the environment. He needs to hire consultant

3/23 - 430p lft msg for Ben

3/24 445p Ben Garfinckle, 567-1605, thanks for calling back

3/25 - 242p Ben Garfinckle, 567-1605, call him

2/29 - 515p discuss site, explain why results from UST removal indicate a release from his UST and not a result of UST 100' ft away on adjacent property. Recc direct push investigation to define source area contamination & collect grab GW samples. Directive unchanged, report is late. Recc he apply to USTCF.

He will get bids from environmental consultant & submit WP.
