Hi Kate,

I have reviewed the recently submitted well destruction report dated May 16, 2018 for the subject site and have accepted it in GeoTracker. I have completed our Closure Summary form and it is the process of being reviewed. The case appears to be on target for closure this month.

Regards,  
Keith

Keith,

I am bringing this up in your inbox. Will you be sending out a formal Case Closure/NFA letter for this site?

Keith,

Good afternoon. I am checking with you regarding the status of former Station 70234, located at 3450 35<sup>th</sup> Avenue in Oakland. On behalf of ExxonMobil, ETIC submitted the *Well Destruction Report* on 5/16/18. Please let me know if there is anything else you need to formally close this case.

Thank you!
