Subject: RE: ACEH Correspondence for RO2520 - Extension Approval

All,
In reviewing the July 18th letter, I noticed that the due date did not get updated. It is currently listed as due August 1, which would have been impossible. As a consequence, I have extended it on Geotracker to September 19th. Please use this email to document extension of the due date.

Mark Detterman
Senior Hazardous Materials Specialist, PG, CEG
