Dear Ms. Hugo,

Enclosed please find two photographs showing the spillage of a liquid substance next to the street behind our facility. We are very concerned that Fabco Automotive will somehow be held responsible for the effects of this dumping next to our property, even though we have no role in it. We would hope that your department would be able to investigate this matter and put a stop to it.

Thank you for your help.

Sincerely,

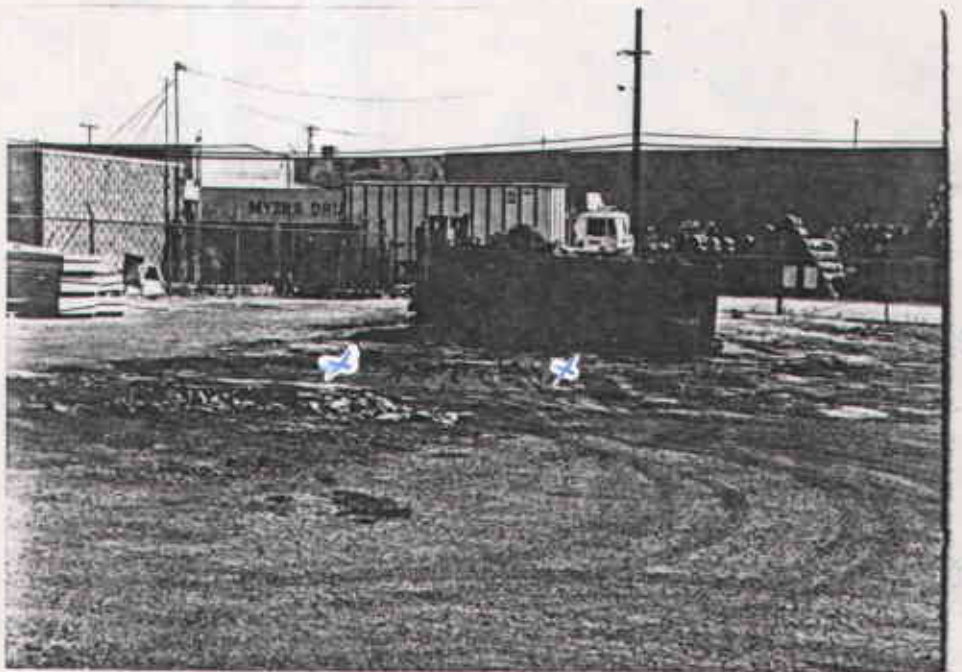

A handwritten signature in dark ink, appearing to read "Michael Slessarev", with a long horizontal line extending to the right.
