Dear Mr Wickham,

In your May 9, 2007 letter, you requested additional information regarding the closure request submitted for this site by Delta on April 2, 2007. You requested that the additional information be submitted by July 30, 2007.

As we discussed by phone today, we are requesting a 30 day extension for the submittal of this information in order to fully address the issues raised. Thank you for your consideration of this extension request.
