Subject: Fuel Leak Case RO2558- Di Salvo Trucking , 15651 Worthley Drive, San Lorenzo

Dear Mr. Lawlor

This email serves as notification of the conclusion of the Public Notification period for the Di Salvo Trucking facility located at 15651 Worthley Drive in San Lorenzo, California. Alameda County Environmental Health (ACEH) has received one public comment regarding the closure of the leaking underground storage tank case for this facility. Please proceed with the well destruction at the facility as requested in our Directive Letter dated November 19, 2013 and provide ACEH with a Well Destruction Report by February 25, 2014 as part of the path to case closure. Note that a part of the Well Destruction Report will include documentation pertaining to the disposal of well destruction derived waste generated in the well decommissioning process and any remaining investigation derived waste at the site.

Thank you,
Keith Nowell
