Returned a voicemail from Mr. Bob Lawlor, RP for DiSalvo Trucking – RO2558. His message indicated that data had been provided to ACEH and he wanted our feedback. A review of the ACEH website found two reports were uploaded in late August. After a quick review of the reports I returned Mr. Lawlor's call. I informed him that after a brief review the site appeared to meet the LTCP criteria for closure and, after completing the checklist and verifying the criteria were met, I would prepare a closure package presentation for internal review. I could not provide a timeline for the closure process.
