Subject: Request for Comments
Tier I Screening Assessment for Rolls-Royce Engine Services-Oakland
6701 Old Earhart Road, Oakland, CA – Alameda County Site # RO0002606

Dear Mr. Nowell:

This letter requests that the Alameda County Health Department (“County”) provide comments, if any, on a Tier I Screening Assessment submitted to you by Rolls-Royce Engine Services-Oakland (“RRESO”) on 26 October 2010. The Tier I Screening Assessment provides the framework for a Tier II Screening Assessment that will be conducted by RRESO. Port of Oakland and RRESO staff is eager to proceed with the Tier II Screening Assessment, but would like to address any comments the County may have on the Tier I Screening Assessment in the Tier II Screening Assessment.

As we discussed yesterday on the telephone, I would appreciate if you could provide comments on the Tier I Screening Assessment no later than March 30, 2012.

Sincerely,

Diane Heinze, Environmental Assessment Supervisor
Environmental Programs and Planning Division
