TELEFAX TRANSMITTAL

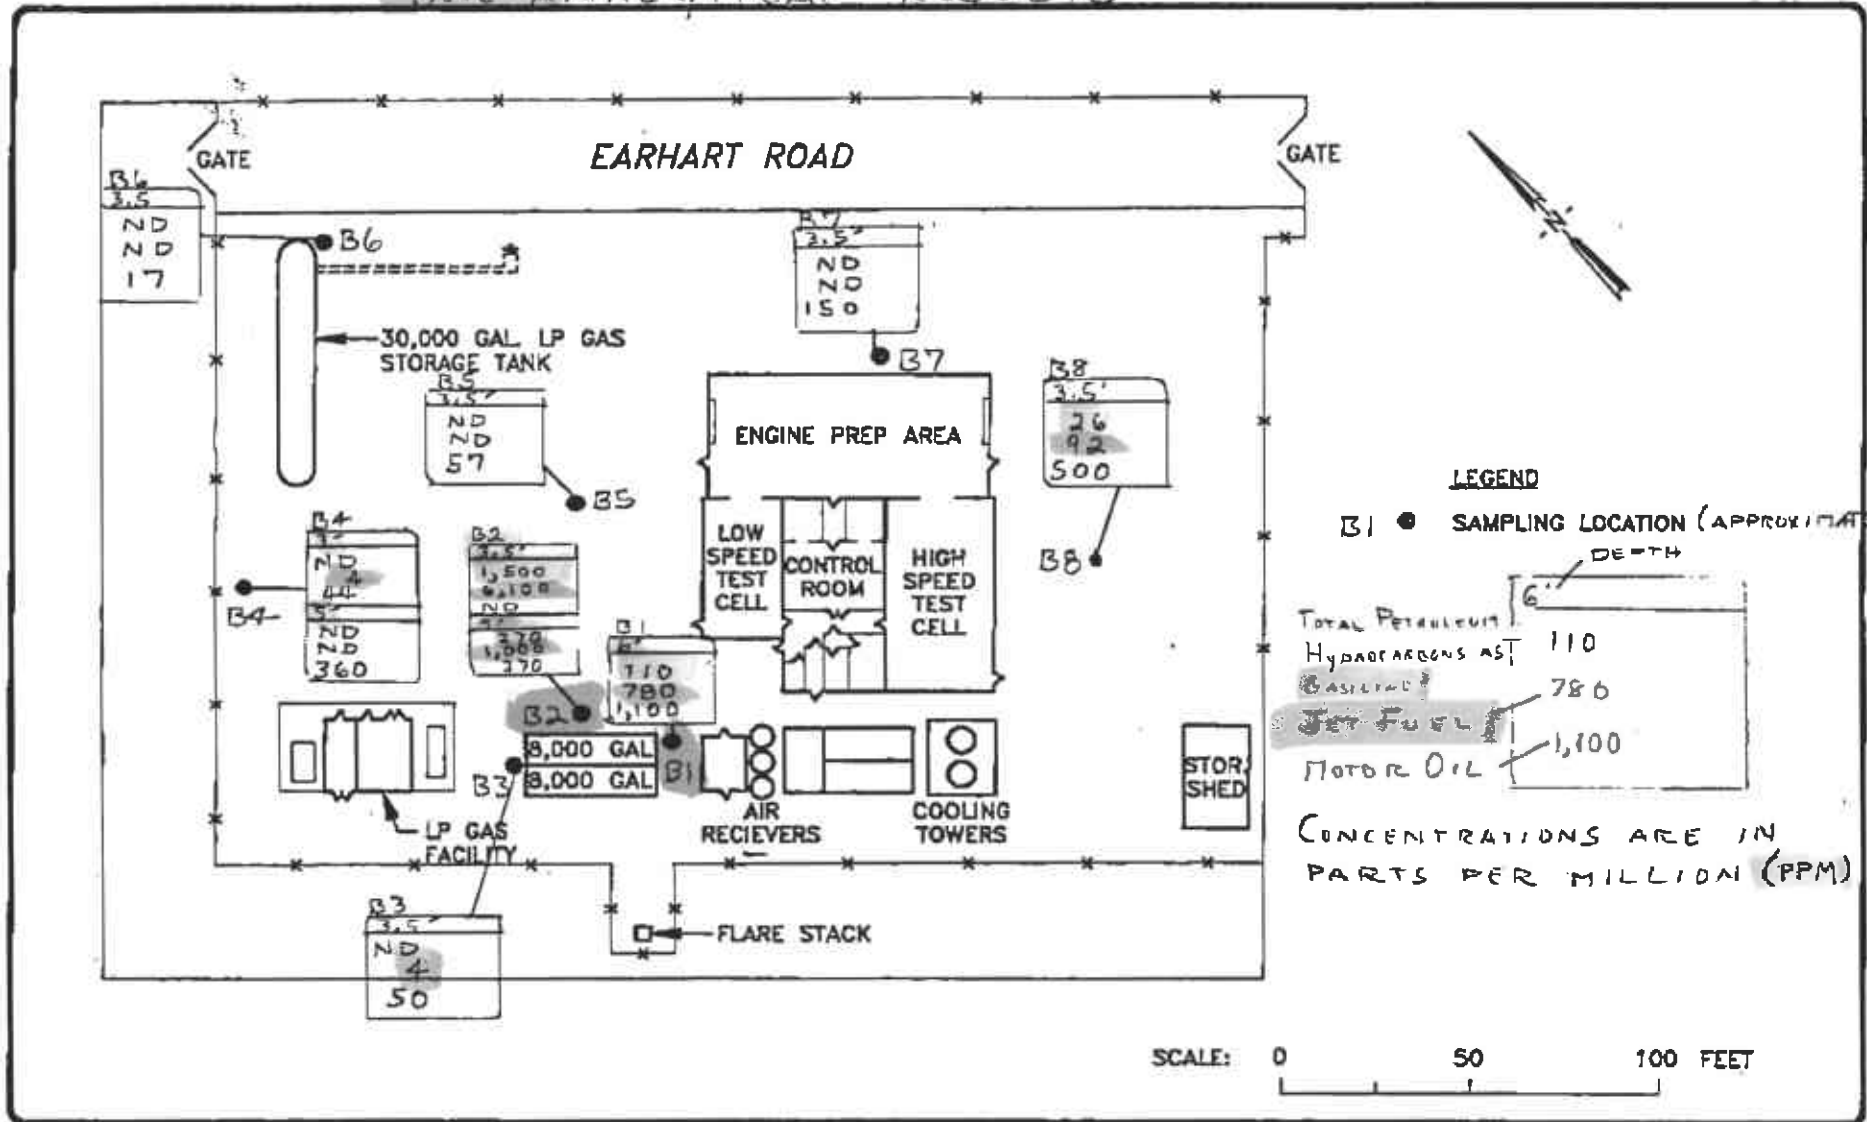

DATE: August 18, 1995 RE: National Airmotive Corporation
TO: Scott Seery Alameda County Health Department
FAX #: 510 337-9335
FROM: Mark Smolley, EMCON - San Jose
PROJECT NO.: 2077-001.02

NOTE: Unless otherwise indicated or obvious from the nature of the transmittal, the information contained in this facsimile message is confidential information intended for the use of the individual or entity named above. If the reader of this message is not the intended recipient, or the employee or agent responsible to deliver it to the intended recipient, you are hereby notified that any dissemination, distribution or copying of this communication is strictly prohibited. If you have received this communication in error, please notify us at the telephone number listed above.

COMMENTS: The attached maps show the concentrations of petroleum hydrocarbon compounds that were detected in the soil and groundwater samples collected in the jet fuel storage area. We expect to conduct the drilling in the gray water wash area in September. After that drilling is completed, we will prepare a report discussing the results of both investigations. Please call if you have questions concerning these data.
