Mr. Gunter Kitsch has moved, and you are sending your letters to his old address ENVIRONMENTAL HEALTH SERVICES

His new address is:

Gunter Kitsch  
2603 Hoffman Ct.  
El Dorado Hills, CA 95762

I have complied with your request to have the information you wanted uploaded to the Geotracker. I instructed Ron Schelle @ Conestoga-Rovers and Associates (CRA) to claim the site and upload the information you requested to the Geotracker.

Was this done to your satisfaction?

As I said in our phone conversation last week, this matter was completed over 5 years ago by Cambria. My father Hans(deceased) and Gunter were business partners and owned the property in question 50/50. My father willed his half to me.

Mr. Kitsch is much more knowledgeable on this subject then I am. Please send all past and future letters to his new address. Thank you.
