Attn: Ms. Barabra J. Jakub, PG

Dear Ms. Jakub,

This is in response to your request to upload information to the GeoTracker.

Last week, I instructed Mr. Scheele at Conestoga-Rovers & Associates (former Cambria) to upload all necessary data that you requested. Mr. Scheele stated that he will be able upload the data and claim the site for me. Enclosed is a copy of the authorizing form for electronic submittal of data, which I signed and sent to Mr. Scheele. Should you have any questions regarding the data, please contact him at 510/420-3327 or email rscheele@croworld.com.

Yesterday, Mr. Scheele recommended I speak to the original project manager, Mr. Bob Clark-Riddell, now at Pangea Environmental Services. I have been in contact with Mr. Clark-Riddell as well and I have sent him all the reports and your correspondence for his review.

Regards,

Stephen Oelschlaegel
