Dear Mr. Sears:

Our records indicate that insufficient funds are available in the above-referenced SLIC oversight account. In order to continue to provide regulatory oversight, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$3,000.00. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$182.00 per hour.

Please write "SLIC" (the type of project), the site address, and the AR#0314587 on your check.

If you have any questions, please contact Barbara Jakub at (510) 639-1287.

Sincerely,

Ariu Levi
Director
