

CONTACT LOG (3950 Union St., Fremont)

09/21/98 [redacted] called, Cummings Environmental, [redacted] to discuss case. Site used to be a small plating shop. Will send me ^{copies of} all the files he has, besides the Aug. '98 report. Discussed STC results - copper + lead exceeded haz waste levels.

10/14/98 [redacted], property owner, called & left message

10/19/98 Returned Terry Chow's call at [redacted]. Discussed case and questions about oversight authority. Determined, from my conversation w/ Madhulla, that Madhulla Logan will be case worker. Asked Mr. Chow to send Mr. Logan copies of all reports & correspondence regarding the site. Faxed Mr. Chow address & phone #. Mr. Chow can also be reached at [redacted] or Pager # [redacted].
