Re. The work performed at 2020 Sherman Street, Alameda

Dear Ms. Logan:

In reference to the captioned matter, please find the enclosed ground water sampling reports dated July 1, 1996 issued by Blaine Tech Services, Inc. for monitoring period ending June 18, 1996 for your file and review. This is the last ground water sampling report required by you for the closure of the captioned site, in addition to some other requirements to be fulfilled. If there is any questions you may be concerned regarding to the captioned matter, please do let us know. Thank you very much for your assistance.

Very truly yours,

Wang Chengben
