Phase II Investigation Report

Dear Mr. So:

As per the direction of Mr. Ravi Arulanantham, Alameda County Department of Environmental Health, enclosed is the Phase II Investigation Report for the above referenced location. Mr. Arulanantham gave authorization to proceed on this project and the well was drilled on October 17, 1991. As the consultant for this investigation, pH7 Environmental will provide copies of all reports and documents on this case to the RWQCB.

Please note that Mr. Arulanantham does not regard this case as a leaking underground fuel tank site, and has not filed an Unauthorized Release Form with the RWQCB.

Please ensure that this site is not listed as a LUFT site by the RWQCB.

Thank you for your attention to this matter.

Cordially submitted,

Stephen R. Clark
Principal
