Re: Remedial Action Completion at 901 Washington Street,  
Oakland, CA

Dear Mr. Clark-Clough:

This letter confirms the completion of site investigation and risk evaluation for the soil contaminated with PAHs and groundwater contaminated with TCE at the above referenced address.

Based upon the available information and with the provision that the information provided to this agency was accurate and representative of site conditions, no further action related to the contaminants identified at the site is required.

If you have any further questions concerning this matter, please contact me at (510) 567-6764.

Sincerely,

Madhulla Logan  
Hazardous Materials Specialist
