Fred and Peter,

I realized that I had not sent a copy of the County Model Deed Restriction as I had previously indicated. It may be that Geoff Sears has a copy already, but I did want to forward a copy. Please find it attached. The restriction has areas indicated where changes can be made. Changes outside those areas would require review by the County counsel and are generally discouraged. I suspect such a review would take some time; however, likely not as long as the case has been open!

Please let me know if you or Geoff Sears have questions.
