RE: Livermore Arcade Property Ownership

Dear Gil:

Hygienetics has identified land uses and ownership of properties in the Site vicinity. The referenced properties are illustrated in the attached drawings.

Area A, located north of Ventura Avenue, is entirely occupied by residential properties. Area B is a right-of-way owned on the north side by Union Pacific Railroad and the south side by South Pacific Railroad. Area C is the location of a number of current wells and contains the Miller's Outpost Shopping Center. Area D contains the K-Mart Shopping Center (see Figure 1).

There currently does not appear to be a suitable location for a remediation system north of the railroad. However, there does appear to be a width of land available, approximately 80 feet wide, located north of the tracks and within the railroad boundaries (see Figure 2). Use of this property is contingent upon approval by Union Pacific.

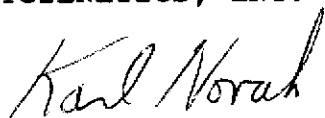

The current proposed location for a remediation system is in the northwest corner of the parking lot in Area C.
