Re: Your File No: A-874
San Francisco Bay Regional Water Quality Control Board
Site Cleanup Order No. 93-139

Dear Mr. Wyels:

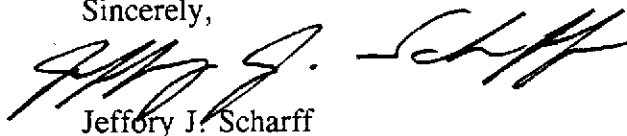

I am in receipt of your December 13, 1993, correspondence pertaining to the Petition which was submitted on behalf of Steven Song, dba Mike's One Hour Cleaners for review of Site Cleanup Order No. 93-139.

I have previously spoken with Mr. Craig Wilson regarding the status of this matter and have indicated my client's desire to table any further action relating to the Petition pending outcome of case mediation which is presently being conducted. To that end, I enclose for your information my request that the Petition For Review be placed on the inactive list. I understand, according to Mr. Wilson, that this is an available procedure.

If my information is incorrect, I am requesting an extension of time beyond the December 31, 1993 date set forth in your December 13, 1993 correspondence in which to file an Amended Petition. Due to the holidays, I will be out of town and unable to respond until January 15, 1994.

Thank you for your prompt attention to this matter.

Sincerely,

Jeffory J. Scharff
